

HORIZONTAL FLOOR GRINDING

REPLACEMENT SYSTEMS FOR ALL GRINDING MACHINES

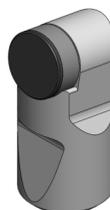

RS QUICK-CHANGE SYSTEM

- Improve productivity by extending tool life with RS PCD diamond tools by 40x carbide tools
- Decrease or increase the number of tools for different grinding applications
- Interchangeable tools to vary the macrotexture of the surface
- Minimize surface damage during the grinding process
- Completely machined tool and block ensures a smooth and uniform surface

RS PCD Flat Tool

RS PCD Single Round

RS PCD Double Round
